Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

PORTLAND, April 13.—Arrivals of California fruits were more liberal today, two cars of oranges, one of lemons, coming in, with one car of bananas. Prices rule high for all fruits, and supplies are not equal to the demands of the market. The orange shipments were delayed en route, but arrived in good condition. Three cars are due Monday. Lemons are very high and scarce, prices ruling about \$4 a box. Florin strawberries are expected about the middle of the week. Reports give the prospects as good for an excellent crop, and after the naturally high price early arrivals will command, dealers expect agents to fix the season's prices at about customary figures for this season of the year.

Vegetables.

The market demands are not being covered by receipts of spring vegetables everything being scarce, and outside points not beginning to supply the deficiency.
